## Newsletter - 12<sup>th</sup> May 2017

Dear Parents/Carers,

Thank goodness it's Friday! Out of the whole school academic calendar, this is the week every school works towards - Year 6 SATs. I'm sure you've heard about it in the news!

I am so very proud of the Year 6 children. They have worked very hard over the year, this term and especially this week to ensure they are as ready as possible for the tests. The children had tests in reading, grammar, punctuation & spelling and 3 maths papers. Every child gave 100%. A big thank you to all parents/carers for your support and the staff who have worked relentlessly over the year and in particular this week.

Over the next few weeks, children across the school will be taking part in tests in order to help provide the information we need for their end of year reports. Next week, the focus will be on Year 5 and we will begin the national tests for Year 2.

## Summer Fete

This year's summer fete will be on Friday 30<sup>th</sup> June from 3-6pm.  
We are already starting to prepare for this fantastic event.

If you have any items that you think we could use on the tombola, for the raffle or on the bric-a-brac stall then please bring them into the school office where we can organise them.

If you have any other ideas of how we can make this event even more exciting in order to raise even more funds, then please make contact with Miss Glen, Miss Curran or a member of the school office staff.

## Starting Nursery - September 2017

Do you have a child, or know anybody else who has a child, born between 1st September 2013 and 31st August 2014? If so, your child will be eligible to 15 hours a week free Nursery education. Carpenters School is able to offer places to children born between the above dates. Many of our families already have their children's names on our waiting list. However, if you know of a child born between the above dates and they have not already registered their interest, then please pop into the school office and the office staff will provide you with the relevant documentation. We will be starting to allocate places in the next couple of weeks so please ensure your details are with us to ensure your child doesn't miss out.
