## Newsletter - 16<sup>th</sup> June 2017

Dear Parents/Carers,

This week we have seen another tragic event occur in the UK which has left many adults and children with lots of questions and concerns. During these difficult times, we use this as an opportunity to reflect and think about what we can do for those left bereaved and homeless. Some parents/carers have asked whether we can collectively do something to help. This is a great idea which I know will be supported by the whole community. I believe the organisation supporting the London Fire victims have asked for no further donations at this stage due to a lack of storage space. However, we know that this situation is going to need long term support. I will be making contact with organisations to see how we can help in the long term and will let you know what you can do to help.

In the meantime, we know that our children may be affected and have lots of questions. A reminder that Childline can help you with advice and support to help your child/ren understand and express distressing feelings and emotions. Visit the website to find out more at: <https://www.childline.org.uk/info-advice/your-feelings/anxiety-stress-panic/worries-about-the-world/>

## Spelling Bee

This week children from our school represented us at the semi-finals of the Newham Spelling Bee Competition. From a large number of volunteers within the school, these were whittled down to just four children. Well done to all the children who took part in trying out for the competition. They have worked extremely hard over the last month learning some very challenging words. Congratulations go to Jason - Fern class, Rayhan - Willow class, Kelvin - Chestnut class and Acacia - Tulip class. Unfortunately, while the children didn't make it through to the final; they did make us very proud with their commitment, behaviour and effort. Well done children!

## Athletics Stars Shine Again!

Following a successful athletics tournament two weeks ago, when one of our athletics teams came second place in their section, ten of our finest athletes competed in the Newham Quaddkids Athletics Final yesterday, achieving amazing results both individually and as a team.

The athletes raised the game against the best five athletics schools in Newham. Incredible performances, especially in the 600m run, hauled the team into an amazing bronze medal position, seeing off teams who had beaten them in previous competitions. We are all therefore immensely proud of the level of sportsmanship and ability shown by: Omari, Pedro, Luc, Freddie, Francis, Elaine, Charlene, Thaissa, Keyla and Triumph. Watch out Team GB!

Big thanks also to Mr Saunders and Miss Hall for their commitment and time to train the children and make them the best they can be.

If you have any other ideas of how we can make this event even more exciting in order to raise even more funds, then please make contact with Miss Glen, Miss Curran, Miss O'Neill or a member of the school office staff.

## Starting Nursery - September 2017

Do you have a child, or know anybody else who has a child, born between 1st September 2013 and 31st August 2014? If so, your child will be eligible to 15 hours a week free Nursery education. Carpenters School is able to offer places to children born between the above dates. Many of our families already have their children's names on our waiting list. However, if you know of a child born between the above dates and they have not already registered their interest, then please pop into the school office and the office staff will provide you with the relevant documentation. We will be starting to allocate places in the next couple of weeks so please ensure your details are with us to ensure your child doesn't miss out.
