Newsletter - 23rd June 2017

Dear Parents/Carers,

This week has been exhausting on many levels - we are coming to the end of another busy school year; the weather has been extremely hot and the children are busy preparing for many exciting events over the next couple of weeks. Despite all of this, the children have worked really hard with their behaviour to ensure the weather does not affect them. Children across the school have been practising for the end of year concert and are beginning to plan organise activities for the summer fete next week. Year 6 have been busily preparing their singing and acting reading for their performance of Oliver and Year 4 have been creating their costumes for the Newham Carnival.

Diane Barrick - Headteacher

EID Mubarak

As you all know, the school has agreed not to close for any religious festival. At some point over this weekend, we will know when our school community will be celebrating Eid-UI-Fitr. If EID falls on Sunday, staff and children will be expected to attend school as normal on Monday. If EID falls on Monday, the school will authorise a 1 day absence for all of our children whose families celebrate Eid on this date and we will expect them back in school on Tuesday. Unfortunately, it will show on your child's records as an absence, but when calculating 100% attendance at the end of the term, this absence will not be taken into consideration. Any days taken in addition to this will be recorded as unauthorised. I do wish all of you an enjoyable day and look forward to hearing about your celebrations on your return to school.

School's RESPECT Values

As you are all aware, we work very hard as a school to teach our children about RESPECT. The values, listed above on the newsletter every week, are discussed with the children through P4C & Thrive sessions and they are awarded certificates for their efforts to live by them.

Over the last couple of months, a few incidents have happened both in and out of school with parents/carers not displaying some of these values, particularly in front of our children. Please remember, if you have a problem or concern, bring it to the attention of a member of school staff who will try their very best to support you. If you are upset, please avoid discussing these issues in front of the children and we will take you into a private room. Your continued support is very much appreciated.

Summer Fete

Come along and enjoy the fun at the Carpenters School Summer Fete

Friday 30th June 2017

3-6pm

KS2 playground

If you have any items that you think we could use on the tombola, for the raffle or on the bric-a-brac stall then please bring them into the school office where we can organise them.

Starting Nursery - September 2017

Do you have a child, or know anybody else who has a child, born between 1st September 2013 and 31st August 2014? If so, your child will be eligible for 15 hours a week free Nursery education. Carpenters School is able to offer places to children born between the above dates. Many of our families already have their children's names on our waiting list. However, if you know of a child born between the above dates and they have not already registered their interest, then please pop into the school office and the staff will provide you with the relevant documentation. We have already begun the task of allocating places so please ensure the child's details are with us to ensure they don't miss out.
