Newsletter - 2nd December 2016

Dear Parents/Carers,

This week's focus is on children's safety. Many parents/carers of children who come to school from the Warton Road side have been concerned about the speed of traffic and a safe crossing for the children. I am pleased to inform you that the council have got plans to develop this in the Spring term. I will provide you with more details nearer the time.

It has also been brought to my attention that the number of cars blocking children and their families from crossing on Carpenters Road is again becoming dangerous. Parents/Carers are parking either too close to the crossing space or across it. In addition, parents/carers are carrying out manoeuvres in their cars which are also putting others in danger. Please be extra careful when you are parking or driving around the school gates.

Christmas Cards

It is now officially the countdown to Christmas and we know that children will want to send wishes to each other through Christmas Cards. The post box will be available from Monday 5th December. To avoid children wandering around the school, we are encouraging children to place their cards in the post box in the school hall where they will be distributed by Santa's many helpers!
