Newsletter - 9th December 2016

Dear Parents/Carers,

I can't believe it is nearly the Christmas break. We have so many things to do: lots of learning to complete; school concerts; our Christmas lunch and jumper day; discos; parent/carer evenings and end of term celebration assemblies. I must reassure parents/carers that children will continue full lessons all the way up to the end of the term- so need to be in school every day! We don't 'switch off', but keep teaching fun and exciting lessons until Tuesday 20th December. We will of course let off steam at the class celebrations on the Tuesday afternoon where children can share their achievements.

School Council Elections

Next week there will be lots of excitement in school for many reasons, but one you will want to discuss with your child is the 'School Council Elections'. Voting will take place in classes on Wednesday 14th December.

Those children interested in representing their class - and the school as a whole - have been invited to see Mr Wright (Year 2 Teacher) this lunchtime to discuss with them how to complete their manifesto. Good luck children!

Attendance

A reminder to all parents/carers, that holidays during term time, or attached to a school holiday, will not be authorised, except in exceptional circumstances. We have already had a number of families whose children have been absent from school and we have not been able to make contact with them. This leads us to believe that some families may have taken their children on holiday without authorisation. Any parent/carer who takes their child/ren on holiday without authorisation will be issued with a penalty notice with a charge of £60 per parent per child.

Should your child/ren not attend school on Monday 19th and/or Tuesday 20th December, or return to school on Thursday 5th January 2017, we will expect a note from your child's local GP to confirm their sickness/absence. Any parent/carer who does not provide this information will also be issued with a penalty notice with a charge of £60 per parent per child.
