Newsletter - 9th June 2017

Dear Parents/Carers,

Welcome back to the last and busiest term of the academic year - and what a week it has been with the weather!

This week we have seen the year 3 children start their swimming lessons at the Aquatics Centre. I know the children are really enjoying them. We have also seen children taking part in their fundraising and volunteering activities to support our charity Headway and the local community. More details to follow over the next couple of weeks.

Talking about difficult subjects: tips for parents/carers

Children are exposed to news in many ways, and what they see can worry them. We have found the following advice from the NSPCC which can help you have a conversation with your child:

- listen carefully to a child's fears and worries;
- offer reassurance and comfort;
- avoid complicated and worrying explanations that could be frightening and confusing.

Childline can help you find advice and support to understand distressing feelings and emotions. Please look at this website to find out more. <https://www.childline.org.uk/info-advice/your-feelings/anxiety-stress-panic/worries-about-the-world/>

Stratford Library Visits

I am delighted to inform you that we have been able to organise for all of our children to visit and join Stratford Library. Your child will have brought home a membership form which, if completed, will allow them to take books from the library on their visit with the school. By now you should have already received a letter informing you of the date of your child's visit to the library. However, some have had to change so I have provided these details for the whole school as a reminder:

Class	Date	Topic
Sunflower	Tuesday 13 th June	Wild Animals

Summer Fete

If you have any items that you think we could use on the tombola, for the raffle or on the bric-a-brac stall then please bring them into the school office where we can organise them.

If you have any other ideas of how we can make this event even more exciting in order to raise even more funds, then please make contact with Miss Glen, Miss Curran, Miss O'Neill or a member of the school office staff.

e-Safety Parent/Carer Workshop

In order to support parents/carers with this important safeguarding issue, we have organised for a local authority advisor to lead a workshop:

Tuesday 13th June 2017

9am - 10am

Carpenters Primary school

Crèche available

In the meantime, the following website is really useful - UK Safer Internet Centre - www.saferinternet.org.uk. This site has lots of useful information and resources to support parents/carers in keeping children safe online whilst at home.

Starting Nursery - September 2017

Do you have a child, or know anybody else who has a child, born between 1st September 2013 and 31st August 2014? If so, your child will be eligible to 15 hours a week free Nursery education. Carpenters School is able to offer places to children born between the above dates. Many of our families already have their children's names on our waiting list. However, if you know of a child born between the above dates and they have not already registered their interest, then please pop into the school office and the office staff will provide you with the relevant documentation. We will be starting to allocate places in the next couple of weeks so please ensure your details are with us to ensure your child doesn't miss out.
