Newsletter - 20th January 2017

Dear Parents/Carers,

Many thanks to all of those parents/carers who attended the Year 1 Phonics meeting. It is always good to catch up with you and share information, particularly about these important events coming up this year. Following feedback from parents/carers, I will be organising some workshops for you which will take place after the half term break. These will focus on some of the changes to the Reading and Maths curriculum, as well as showing you how you can help your children at home.

As you are all aware, we have made changes to the structure and content of homework. So that all staff and parents/carers are clear, we have reviewed the Homework policy with staff and Governors. A copy is available on the school's website and you may request a hard copy from the school office.

Parent/Carer Survey

Next week we will be sending out a copy of the Parent/Carer Survey for you to complete (green letter). It is really important that we get the views of our school community in order to evaluate what is working well and what we can do to improve further. Once you have completed the survey please return it to your child's class teacher by Friday 3rd February. Once these have been collated and analysed, I will update you via the weekly newsletter and add this onto the school's website.
