## Newsletter - 16<sup>th</sup> September 2016

Dear Parents/Carers,

This week we welcomed our children into the Reception & Nursery classes. It was lovely to see the children settle in so well and we enjoyed meeting our new children and their families. We look forward to working with you all.

As always at the beginning of a new year there is so much information we want to share with you. Details of everything that is going on is listed in the diary dates at the back of this newsletter, along with more detailed information about key events below. Please do not hesitate to contact the school office if you have any questions.

### **Jeans for Genes Day**

On Friday 23<sup>rd</sup> September, children will be allowed to wear their jeans for the day (normal black shoes, white polo & red jumper please!). In return, we ask that children donate £1 towards Genetic Disorder UK - a charity bringing together those affected by genetic disorders.

### **Persistent Absence**

As part of our school development plan this year, we will be monitoring children's attendance very closely as there is a clear link between poor attendance and low attainment and progress.

If your child's attendance falls below 90%, this is classed as persistence absence. Any child whose attendance falls below this is at risk of receiving a penalty charge of £60 per parent/carers, per child. If your child is absent it is important that you call the school office as soon as possible in the morning. If we have concerns regarding your child's attendance we will request medical evidence for every absence. If this is not provided, the absence will be recorded as unauthorised and you will be requested to attend a meeting with your child's phase leader. Please ensure that your child attends school every day and on time.

### **Deadlines for Information**

Today is the deadline for you to return the following forms:

- 1) Data Collection
- 2) Home-School Agreement

If you believe you did not receive these forms or may have misplaced them, please do not hesitate to request another one.
