Newsletter – 12th January 2018

Dear Parents/Carers,

Many thanks to all of those parents/carers who attended the Year 6 SATs & Year 5 & 6 Fairplay House meetings this week. It is always good to catch up with you and share information, particularly about these important events coming up this year. There have been lots of changes to assessment and testing for primary school children and we know that when parents/carers work with us, your children have a better chance of achieving well.

Next Tuesday, 16th January, there will be a meeting for Year 2 parents/carers about the Year 2 SATs and next Wednesday, 17th January, there will be a meeting for Year 1 parents/carers about the Phonics Screening.

If you have any questions about the changes or Fairplay House, please do not hesitate to speak to your child's class teacher or a member of the Senior Leadership Team.

Attached with this week's newsletter, you will receive a copy of your child's celebration newsletter for the work they undertook last half term. Happy reading!

Starting School

A reminder that the deadline for online applications via eadmissions.org.uk for Starting School in a Reception Class from September 2018 is this coming Monday **15th January 2018**. Children born between 1st September 2013 and 31st August 2014 must apply. Should you require any advice or support in completing the online form, please contact the school office.

e-Safety Parent/Carer Workshop

We are fast approaching e-Safety week. In order to support parents/carers with this important safeguarding issue, we have organised for a local authority advisor to lead a workshop on Safer Internet Day:

Tuesday 6th February 2018
9am – 10am or 2-3pm
Carpenters Primary school
Crèche available

Letters will be going out next week for you to sign up to. In the meantime, the following website is really useful - UK Safer Internet Centre - www.saferinternet.org.uk. This site has lots of useful information and resources to support parents/carers in keeping children safe online whilst at home.

Emergency Contact Details

In order to improve our safeguarding procedures, particularly around making contact with parents/carers as a result of a child's absence from school, we will be requesting additional information from you. Over the next couple of weeks, we will be sending out another data collection form. During this collection, we will be requesting parents/carers to provide the school with the emergency contact numbers of at least 3 adults. One of these adults must live outside of the family home. This way, if we are unable to make contact with parents/carers in an emergency, we will have the details of another adult to speak to. As always, thank you for your continued support.

Children's Absence

Over the last 2 weeks, school office staff have spent a lot of time trying to establish the whereabouts of children from the school. This has been particularly difficult when we are unable to make contact and we eventually find out that the child is out of the country. School procedures state that we must make every effort to establish where children are, which includes visiting the family home. Should your child be absent from school for any reason, please make contact with the school on the first day of absence so that we are able to keep our records up to date.
