Dear Parents/Carers,

This week we welcomed our children into the Reception & Nursery classes. It was lovely to see them settle in so well and we enjoyed meeting our new children and their families. We look forward to working with you all.

As always at the beginning of a new year, there is so much information we want to share with you. Details of everything that is going on is listed in the diary dates at the back of this newsletter, along with more detailed information about key events below (these are also displayed on the school website). They are working with primary schools across the UK to make parental engagement in maths more fun and more effective. Jeans for Genes Day

On Friday 22nd September, children will be allowed to wear their jeans (and any shoes/trainers) for the day (normal white polo/shirt & red jumper/cardigan please!). In return, we ask that children donate £1 towards Genetic Disorder UK - a charity bringing together those affected by genetic disorders. More details about the fundraising day can be found at: <https://www.jeansforgenesday.org/>.

School Uniform

It is lovely to see all our children arriving at school looking so smart at the beginning of the year and I would like to thank you all for your support with this; it really does make a difference in as much as it creates a sense of belonging. A reminder that members of the leadership team regularly check children's uniform as they move around the school. Any children wearing incorrect uniform will be given a letter detailing the changes to be made. Please do not hesitate to contact the member of the team should you wish to discuss this further. Please also ensure your child has the correct PE kit in school and it stays in school for the whole half term. Most items of uniform can now be purchased online at www.orchardschoolwear.co.uk.
