Newsletter - 24th November 2017

Dear Parents/Carers,

Great news - last week we managed to raise £185.86 for Children in Need. Thank you to all those who donated for this worthy cause. The next fundraising will be on Friday 15th December (last day of school) when children will be encouraged to wear a Christmas Jumper and donate £1 to 'Save the Children' - another very worthy cause. This will also be Christmas Lunch so we can combine all of the celebrations in one go. This week, it is with great sadness that I have to inform you of some staff who will be leaving us over the next few weeks. Miss Robyn Regan, who worked with our SEN children, has decided to leave us. Unfortunately she will not be returning to school. Miss Sharmin Akthar, currently HLTA in Year 5, will also be leaving us today to spend more time with her son. Ms Montserrat Valldeperas, currently our Nursery teacher, who has been with us for over 16 years, will also be sadly be leaving us at Christmas. I am sure you will join me in wishing them all the very best in their future ventures.

School Council Work

Last Friday, the School Council met with Thames Water and representatives of Newham Council to take part in 'The Greenway' litter picking event at the Olympic Park. The children listened to a discussion on water, sewage and what should not be flushed down our drains.

Their hard work was rewarded with drinks and biscuits from the Viewtube Café - see link below for more details and photos) <https://theviewtube.co.uk/a-beautiful-winters-day-of-volunteering-at-the-view-tube/>.

National Young Mathematicians Award

I am delighted to announce that four of our Year 6 children have successfully made it through to the 2nd round of the National Young Mathematicians award, which will be taking place on Wednesday the 29th of November. They will be solving another NEVER seen before maths problem and will battle it out against other top teams in the region. The top scoring teams across the UK will then make it through to the grand finale taking place at the University of Cambridge on the 13th of December!

Feedback from the event organisers from round one about our children was that: *'We were very impressed by the communication skills they held as a team as they put forward their ideas and theories. They agreed on their recording strategies and showed perseverance as a team when the questions got a little tougher. They were also able to clarify how they got to their answers to the marker.'* Well done to the Year 6 representatives - **Ibtisam, Mujtaba, Hannah and Esaias** and good luck in the second round.

Starting Nursery - January 2018

Do you have a child, or know anybody else who has a child, born 1st September 2013 - 31st August 2014? If so, your child will be eligible to 15 hours a week free Nursery education. Carpenters School is able to offer places to children born between the above dates. Many of our families already have their children's names on our waiting list. However, if you know of a child born between the above dates and they have not already registered their interest, then please pop into the school office and the office staff will provide you with the relevant documentation. We have started to allocate places so please ensure your details are with us.
