Newsletter – 29th June 2018

Dear Parents/Carers,

We are now at the end of our testing time. I have been very proud of the way our children have handled these tests and I am grateful to all staff for their continued hard work and commitment to ensuring that all children have the best opportunity to make progress in their learning. The teachers are currently writing your child's report, which will be sent out to you on Tuesday 10th July and you will have the opportunity to talk this through at the parent/carer meetings on Monday 16th July.

Sports Day

Last week, the children in Years 1 – 6 took part in their Sports day. Despite it being a hot day, the children handled the activities with great enthusiasm. Events such as: archery, blind folded orienteering and javelin were enjoyed by all. However, the favourite had to be the tug of war, where the parents/carers eagerly joined in to try to beat the children! Well done to the following winning teams:

Years 4-6 - **Silver** - 2077 points

Years 1-4 - **Red** - 1549 points

Wellbeing Award for Schools (WAS)

I am delighted to announce that the school, in the very capable hands of Miss Hobbs, will be working towards the Wellbeing Award for Schools. This whole-school award focuses on ensuring effective practice and provision is in place that promotes the emotional wellbeing and mental health of both staff and pupils. The award has a focus on changing the long-term culture of a school, and embedding an ethos where mental health and wellbeing is regarded as the responsibility of all.

With this award, Carpenters will:

- Show our commitment to promoting emotional wellbeing and mental health as part of school life;
- Improve the emotional wellbeing of our staff and pupils;
- Ensure mental health problems are identified early and appropriate support provided;
- Offer provision and interventions that match the needs of the children and staff;
- Engage the whole-school community in the importance of emotional wellbeing and mental health awareness;
- Capture the views of parents/carers, children, governors and teachers on emotional wellbeing and mental health issues.

Over the next couple of weeks, we are aiming to share information with parents/carers and seek your views through a short survey consisting of 10 questions. Your support in helping us to create this ethos and culture for Carpenters will be very much appreciated.
