Newsletter - 9th November 2018

Dear Parents/Carers,

What a fun time we have had at school this week!

Children across the school created poppies, which are being used as part of the wall of remembrance in the Stratford Centre. We have seen (and heard) lots of fireworks this week as part of the Bonfire events and Diwali celebrations. Happy Diwali to all those in our community who have been celebrating this special event - we hope you had a great time with your children and families. Thank you to the Year 3 children who shared their learning about Diwali through the special assembly for parents/carers today.

Yesterday the children attended a special assembly introducing today's Friendship Friday and next week's Anti-bullying activities. We are looking forward to seeing as many of you as possible at the parent/carer workshops next week, as we tackle two very important safeguarding issues; Online Safety and Anti-bullying. Details can be found below.

Online Safety Workshops

We are delighted to have Fern Bamford on board as a member of staff at Carpenters. Fern's previous role was the e-Safety advisor for the local authority and many of you will have met her when she delivered the e-Safety parent/carer sessions in school.

At the end of last half term, Fern published 'Edition 1 of the Online Safety News', highlighting some of the key areas of focus around this important. In addition, she has organised the first of this year's e-Safety workshops:

Parent/Carer Online Safety Workshop
Wednesday 14th November
Focus: Sharing photos and videos online
9-10am or 2-3pm

You don't have to book onto the course just turn up! However, if you require a creche place, please contact the school office before 3pm on Monday so that the relevant staff can be organised.

Anti-Bullying Week

During anti-bullying week, children will take part in a number of different activities to support their understanding of the key theme: '**Choose Respect**'. This will include a special *Bring a Parent/Carer* activity, which all parents/carers are invited to attend. Please see the timetable below for your child's class event - most sessions will last for approximately 1 ½ hours.
