Newsletter - 15th March 2019

Dear Parents/Carers,

Thank you for your support today raising funds for Red Nose Day. I will let you know next week how much we have raised next week after it has been counted! I would also like to thank all the parents/ carers who attended our maths cooking workshops on Thursday afternoon- I hope you enjoyed it as much as we did!

Today, the children have taken part in Maths Day - which has involved them completing a number of different maths activities throughout the day. Ask your child what maths fun they had today!

Along with the newsletter this week you will receive the celebration newsletter from last half term.

Headteacher

Starting Nursery - September 2019

Do you have a child, or know anybody else who has a child, born between 1st September 2015 and 31st August 2016? If so, your child will be eligible for 15 hours a week free Nursery education at Carpenters School. In addition, we do offer some 30 hour places - see Miss Hafsa in the school office for more details. Many of our families already have their children's names on our waiting list. However, if you know of a child born between the above dates and they have not already registered their interest, then please pop into the school office and they will provide you with the relevant documentation. We will be starting to allocate places sometime in May this year so please ensure your details are with us so your child doesn't miss out!

Helping Your Child be a Better Communicator

We are very lucky at Carpenters to have our very own part-time, Senior Speech & Language Therapist who is able to work alongside our Inclusion Team to support children who may require support or intervention.

We are delighted to offer you the opportunity to meet our Speech and Language Therapist, Sylvia Sugarman, who will be able to provide you with advice and ideas on how to support your child at home with their communication skills.
