

Carpenters Safeguarding Statement

Governors and Staff at Carpenters Primary School are committed to safeguarding and promoting the welfare of all children.

We have a safeguarding team to help us achieve the aim that all our children are safe, and feel safe.

If any member of staff has a concern about a child, this will be passed to a member of that team.

We will always seek to discuss the concern with the child's parents or carers in the first instance.

On occasion, dependent upon the nature of our concern, it may be necessary for us to make an immediate referral to Children's Services, when to do otherwise may put the child at risk of further harm either because of delay, or because of the actions of the parents or carers.
