Governor Update - Finance, Premises & Personnel
11th September 2015

The Finance, Premises & Personnel Sub-Committee met earlier this month. Here is an outline of what they discussed:

- 1) The Sub-Committee spent considerable time on budget monitoring for the financial year 2015-2016 with our Financial Consultant. As reported in the news, budgets have been cut so all expenditure items need close scrutiny at all levels.
- 2) It was reported that the School had received high scores following a cleaning and kitchen inspection.
- 3) The Sub-Committee reviewed and updated the School's Critical Incident Plan and other key policies and procedures.
- 4) The Sub-Committee noted that the Greater Carpenters' Neighbourhood Forum is now an official approved forum.
- 5) Our Financial Consultant updated the Sub-Committee on the key issues that will affect the budget in the next financial year 2016-2017. This included developments with staff pensions, pupil premium and pupil numbers.

The next meeting will be held in November 2015.
