

## Year 6 Homework w/c 27 April

### Reading

Your teachers have set your reading homework on Google Classroom. Please ask your teacher online (between 9am and 3:30pm) if there is anything you don't understand and they will help you as soon as they can.

### Writing

This week, we will be writing a biography.

Using information learned from your reading task about Alan Turing and from the links below, create a biography detailing the life of this amazing man.

<https://www.bbc.co.uk/newsround/47142948>

[Alan Turing and Enigma](#) (Powerpoint Presentation to download from Twinkl)

If you have forgotten the steps for how to write a biography, then refresh your memory using the link and example text below:

<https://www.theschoolrun.com/what-are-biography-and-autobiography>

### Task

Write a five-sentence story summarising the life of Alan Turing.

Write a short biography text to inform your reader about the life of Alan Turing and his vital work in WW2.

Upload your work to Google Classroom.

### Thrive

1. Design your own game and play it with the people in your house. Upload the rules to Google Classroom so we can share it with your classmates.

2. Draw a jar and fill it with all the things you appreciate. Take a photo and send it to [info@carpenters.newham.sch.uk](mailto:info@carpenters.newham.sch.uk) - we'd love to see it!

Alternatively you can upload the photo to Google Classroom.

### Topic

This half term, we are learning about life in England during World War Two. Building on the knowledge gained last week about what life was like between the two world

wars, your job this week is to investigate the main countries involved within WW2. These countries belonged to one of three groups: the axis, the allied, or neutral.

Use the following links for support:

<https://www.bbc.co.uk/teach/class-clips-video/history-ks2-geography-of-world-war-two/zv99rj6>

<http://www.nww2m.com/2011/12/allies-and-axis-whos-who-in-wwii/>

## **Tasks**

1. Create a series of top trump cards for each of the major (axis or allied) countries (or their leaders) involved in WW2. If you're unsure of what a top trump card is, head to the following link:

<https://thelittleden.com/create-your-own-top-trumps/>

2. Draw, trace, or print your own small world map and colour in the map with all of the major countries involved within the war. Use a key to distinguish between axis, allied or neutral.

3. Create a mini fact file/paragraph for some (or all) of the 'main' countries involved in WW2. This can be as detailed as you wish. However, try to insert at least the following: name, capital, continent, population, reason for involvement.

## **Maths**

Work on your 'My Maths' every day.

Practise your timetables on TT rockstars each day.

Log onto Maths with Parents each week.
